HAPPY HALLOWEEN

We want you to stay safe when trick or treating by following the 'Halloween Code':

- Always go trick or treating with an adult
- Only go to houses where you or your friends know the residents
- Don't knock on doors where there is a 'No Trick or Treat' sign
- Stay in areas that are well lit with street lights - take a torch with you just in case
- Stay with your friends - don't split into smaller groups unless an adult goes with you
- Don't talk to strangers on the street
- Don't enter any house - stay on the doorstep
- Be careful not to frighten vulnerable people, especially the elderly
- Be visible
- Look carefully before crossing the road, even if you're part of a group
- Don't vandalise anything or throw things like eggs and flour. This can cause a great deal of damage and misery. What's more it can be classed as criminal damage, or even assault, and a night of 'fun' could end up with you in trouble with the police

OR

- Better still, why not just stay at home and have a Halloween themed party with your friends and neighbours!
